

Sunshine Coast Waterways Authority Bill 2026

Submission No: 016
Submission By: Glen Read
Publication: Making the submission and your name public

Leave the Noosa River alone as a Noosa local for 53 years we have a great river system to be enjoyed by all, I have grown up on this river and believe that some of the ideals of a 6 knot speed limit is ridiculous, this proving difficult for business operators, fishing charters, some tour operators and the like.
