

Transport and Other Legislation (Managing E-mobility Use and Protecting Our Communities) Amendment Bill 2026

Submission No: 0976

Yorkeys Knob P&C Association fully and strongly support the proposed changes in support of the safety and wellbeing for our school students and the wider community. We have already seen the devastating effects an e-scooter accident has had on one of our students who was hit by a rider on a shared path while out on her bicycle.. This student sustained life changing injuries and lasting scars. We do not want any more of our children injured, or killed, due to an e-scooter incident.
