**Subject:** re amendments to the Sanctuary cove resort act  
**Date:** Wednesday, 26 September 2018 4:02:27 PM

---

Att Committee Secretary

State Development, Natural resources and agricultural Industrial Development

Dear sir/ madam

I am writing to you in relation to the changes /amendments to the Sanctuary Cove resort act 1985

I understand the department /government is looking at changing this act

As a resident of Sanctuary cove for the past 14 years I wish to ask you stop this amendment

My family along with many hundreds of family's with in Sanctuary cove have invested millions of Dollars to live in Sanctuary cove because of its lifestyle and because the SCRA gave up protection on our investment and way of life

The greater number of people who live in Sanctuary Cove do not wish to have the SCRA changed and do not wish to have their investment depleted

Unlike the owners of sanctuary Cove we live in the cove and Australia, we pay taxes we employ people and we vote, not like the owners

The latest pole we had in the cove re this matter was 85% of people in the cove did not want it to happen

I ask you to support the community in Sanctuary Cove and reject this application,

We don't need a retirement village in Sanctuary cove or the act changed

Sanctuary Cove is already full of retirees who are happy with the way things are we have all payed our Taxes and Now we ask you support tax payers with a NO vote on this very important issue for us

Thank You

Francis Cairns
