Dear Mr Whiting

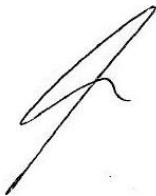

Mineral Resources (Galilee Basin) Amendment Bill 2018

We refer to the Member for Maiwar's decision to table an internal draft AJ&Co document to the State Development, Natural Resources and Agricultural Industry Development Committee on 4 March 2019.

This unauthorised working document was rejected at draft stage by senior AJ&Co partners and was not provided to any client or potential client of the firm.

Proceeding to publish an undistributed internal draft document would serve to misinform the Committee members and the general public. Accordingly, we respectfully request that this material is not further published or disseminated.

Yours sincerely
