Subject: Please support the Mineral Resources Amendment Bill and STOP ADANI
Categories: [REDACTED]

Dear Chair and Committee Members,

I write intent on doing what I can for the future of my children, the environment, and the well-being of the Queensland community - all of which are threatened by the unethical, greedy and damaging practices of Adani and their mining. Please, put your support - as I do - behind the Mineral Resources (Galilee Basin) Amendment Bill 2018.

With thanks from myself and my children,

Kellie Purcill
