

**From:** [Margie Bluett](#)  
**To:** [State Development, Natural Resources and Agricultural Industry Development Committee](#)  
**Subject:** Development of the Galilee Basin  
**Date:** Wednesday, 30 January 2019 11:58:57 AM

---

I, and the majority of Australians, (according all recently reported polls), are staunchly against coal mining of the Galilee Basin and ask that all efforts are made by the Committee to consider all worldwide environmental impacts and UN warnings of pending environmental catastrophe. Thank you.

Margaret Bluett
