Subject: Stopping the destruction.
Date: Monday, 19 March 2018 11:09:05 AM

Dear committee members,

for the sake of the future health of Australia's fantastic natural environment, and in order to try to save the koalas and other vulnerable species, would you please do everything possible to put an end to the uncontrolled clearing of bushland. Please give strong protection to all the remaining habitats and do not leave any loopholes which might allow the bulldozers to continue their destruction. Thank you.

Best wishes, Lucy Worgan
