This is madness, I was lucky enough to have been given an education, I was not a A grade student, but I have lived and worked on the land for 38 years. I know what I am talking about when it comes to our bit of land in the Bulloo Shire, please try and understand, we are not denigrating our country we love our property, and like the previous owners we respect the country, I wonder weather the people trying to make these changes can say the same about how they live. Please come and visit the Bulloo Shire and talk to us we know what we are talking about we have worked in the same job our whole life because we are good at what we do and we love it. DON'T CHANGE THE LAW.
Thank you
Catherine Hughes
