

## Inquiry into the Animal Care and Protection Amendment Bill 2022

**Submission No:** 41

**Submitted by:** [REDACTED]

**Publication:** Make my submission public but keep my name confidential

**Attachments:** No attachment

**Submitter Comments:**

I wish to make the following recommendation for this submission. Prong collars collars may cause harm to a dog if used the wrong way just like any other training tool. However if we could meet in the middle with this tool and allow it under the direction of a trainer and for training sessions and walking only.
