Re ENQUIRY into the Animal Care & Protection Bill 2022 This Bill offers some important improvements for animal welfare in Qld. BUT....it does fall very short....it does NOT represent contemporary animal welfare legislation or the rapidly changing COMMUNITY EXPECTATIONS regarding ANIMAL WELFARE. The Protection Bill 2022 MUST BE IMPROVED. We must recognise that ALL ANIMALS ARE ENTITLED TO PROTECTION. Please amend this Bill to prevent further mistreatment of ALL animals. Thank you for your time.
