

## Inquiry into the Animal Care and Protection Amendment Bill 2022

**Submission No:** 137  
**Submitted by:** Shannay Anderson  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

Barbaric glue/sticky traps need to be removed from all shelves everywhere in Australia and worldwide... The fact that anyone can think or say these things are safe to use under any circumstances is disgusting on every level... Nothing deserves to die this way...
