

**Inquiry into the Animal Care and Protection Amendment Bill 2022**

**Submission No:** 260  
**Submitted by:** Susann Vetma  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

Please ban the sale and use of glue traps. They are inhumane and don't discriminate which creatures they kill. They cause cruel and painful deaths often to creatures they aren't intended to trap. They need to be removed from sale and their importation banned.
