

## **Inquiry into the Animal Care and Protection Amendment Bill 2022**

**Submission No:** 333  
**Submitted by:** Maris Sussmilch  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

I object to glue traps and this issue must be taken seriously. Other countries have banned them, they are currently easily available , and people don't use them properly or check them often, animals die in agony.
