

**Inquiry into the Animal Care and Protection Amendment Bill 2022**

**Submission No:** 395  
**Submitted by:** Jennie Trezise  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

I submit that glue traps are a cruel and indiscriminate method of catching animals. Native animals that do no damage to the environment are trapped by them and for all animals the death is slow and painful. I submit that they should be banned from sale.
