

**Inquiry into the Animal Care and Protection Amendment Bill 2022**

**Submission No:** 401  
**Submitted by:** Ryan Maher  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

Cruelty to animals cannot be condoned on any pretext whatsoever. The current rules and guidelines are wishy washy and toothless! Too many loopholes allowing ruthless exploitation of helpless animals. We should be better than that.
