

## Inquiry into the Animal Care and Protection Amendment Bill 2022

**Submission No:** 412  
**Submitted by:** Fiona Webb  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

I want glue traps banned as they are inhumane and kill native animals indiscriminately. They are currently easily available and people don't use them properly or check them often, leaving animals to die a long painful death.
