Any ill-treatment of animals is totally unacceptable and unfortunately, I do not delve into all the details as feel desperately upset on behalf of those animals involved and also humans' lack of compassion. Going back many years to my childhood, aged 5, I joined the Anti Vivisection Society in the UK and ever since have done all I can to support many different animal charities. Education of humans is necessary and I really don't understand why humans continue to be so unbelievably cruel and unfeeling!!!! Will things ever change I wonder? We have to hope and pray that they do.
