

**Inquiry into the Animal Care and Protection Amendment Bill 2022**

**Submission No:** 600  
**Submitted by:** Loretta Leslie  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

The protection of our native wildlife is paramount in the face of land clearance, climate change, feral animals, etc. Everything possible needs to be done to minimise the loss of life. One simple action is to ban sticky traps which capture numerous small birds and animals, many of which are native. The product is not essential and there are alternatives. Please include the ban of these products in the reviewed document.
