Please ban the use of glue traps as they are inhumane and indiscriminate. Wildlife is being caught on them and dying slow, cruel deaths. They are currently easily available and people don't use them properly or check them often, leaving animals to die a long painful death, even if they checked the trap, do you think they would bother to save the wildlife??? no because people with empathy and morals would NOT USE THEM IN THE FIRST PLACE. look at your outdated laws, review them and change them. Kindness is free and should be for all sentient beings. Make us all better, kinder people. Thank you Jo Adams
