

Inquiry into the Animal Care and Protection Amendment Bill 2022**Submission No:** 674**Submitted by:** **Publication:** Make my submission public but keep my name confidential**Attachments:** No attachment**Submitter Comments:**

The continued use of cruel and inhumane glue traps in Australia is a blight on Australians and the Australian governments that represents us. These indiscriminate killing devices are readily available, misused and discarded leaving animals defenceless fauna to die a long painful death. The decision to ban these devices is a no brainer for any educated compassionate person and needs to be implemented immediately and this committee should be held accountable where this inhumane practice is allowed to continue
