Submitter Comments:

I am writing due to learning about the horrific usage of Glue Traps on wildlife and domestic pets. These traps are barbaric and inhumane, causing unnecessary and undue pain and drawn-out torture before the inevitable death of the animal. You are killing much-needed wildlife and these traps are contributing to the extinction of animal life on your continent. These traps need to be banned. There is no excuse in this day and age to practice such sadism on animal life that can feel horrific drawn out pain and death. Do better. The environment and the beings that live in it, including us human beings, are counting on it. Thank you.
