

## Inquiry into the Animal Care and Protection Amendment Bill 2022

**Submission No:** 1103  
**Submitted by:** Frank Styler  
**Publication:** Make my submission and my name public  
**Attachments:** No attachment

**Submitter Comments:**

Glue traps are indiscriminate, inhumane & need to be banned.They are currently easily available and people don't use them properly or check them often, leaving animals to die a long painful death.
