Dear Sir/Madam,I am making my submission with regard to the sale of glue traps in particular, however, I wish to also wish to include a request for a Royal Commission into the treatment of animals and how we care for our wildlife. With regard to glue traps, I don't understand how these can be so readily available to the public. They are barbaric items and to see pictures of helpless animals attached to these horrors is beyond distressing. I request that these glue traps be BANNED from public sale and in fact all use. They have no place in our society.Please consider my request seriously.Thank you for your time.Yours faithfully,[REDACTED]
