

Inquiry into the Animal Care and Protection Amendment Bill 2022

Submission No: 1196
Submitted by: Robyn McElligott
Publication: Make my submission and my name public
Attachments: No attachment

Submitter Comments:

1. Strengthen enforcement powers to address risks to animal welfare by clarifying or prescribing new offences
2. Prohibit inhumane practices, such as the firing or blistering of the legs of dogs or horses, the use of prong collars, and the use of certain poisons (particularly 1080) for pest animals.
