

Inquiry into the Animal Care and Protection Amendment Bill 2022**Submission No:** 1230**Submitted by:** [REDACTED]**Publication:** Make my submission public but keep my name confidential**Attachments:** No attachment**Submitter Comments:**

My comment relates to the mass of photographic evidence clearly showing the indiscriminate capture of many different native non-target species in these glue traps. So many of our native fauna are in serious decline due to several factors that are difficult to control (feral cats and foxes and habitat loss). Glue traps could simply be controlled by a ban on their sales. I urge the committee to take this opportunity to help our endangered wildlife.
