

**Inquiry into the Animal Care and Protection Amendment Bill 2022****Submission No:** 1365**Submitted by:** **Publication:** Make my submission public but keep my name confidential**Attachments:** No attachment**Submitter Comments:**

We wish the committee to consider the issue of glue traps, their easy accessibility, and the fact that many people do not check on these devices. Animals, including wildlife, die painful, slow deaths. These devices are indiscriminate, easily available and extremely cruel ways to respond to the presence of other animals in and around homes. Please consider the banning of glue traps and other cruel trapping devices in Qld. Many thanks.
