

## **Agriculture and Fisheries and Other Legislation Amendment Bill 2023**

**Submission No:** 44  
**Submitted by:** Christopher Robert Stelmach  
**Publication:** Making the submission and your name public  
**Attachments:** No attachment

**Submitter Comments:**

Killing these dogs are not the answer. The public need to be trained on how to properly handle dogs and all breeds can be dangerous if not treated well. Punish the owners, not the animals!
