Subject: Health and Other Legislation Amendment Bill 2021
Date: Tuesday, 11 January 2022 5:35:24 PM

Dear Committee Secretary,

Please accept this late submission. I was not aware of this bill until today when my MP Sandy Bolton informed us of it's existence.

Be it known that I do not support any part of the Health and Other Legislation Amendment Bill 2021, I need more time to consider what this means to our shire.

My MP, Sandy Bolton informed the citizens of Noosa Shire last night.
