Queensland Building and Construction Commission and Other Legislation Amendment Bill 2014

Dear Research Director of the Transport, Housing and Local Government Committee,

I am writing to you regarding the Queensland Building and Construction Commission and Other Legislation Amendment Bill 2014.

AIB supports this amendment bill in its entirety, and there is no part of the bill that we believe needs to be altered or corrected. We believe that this amendment bill advances professionalism in the construction industry, and improves the Act.

AIB looks forward to working with the Queensland Government to further the aims of maintaining the high standards in building and construction, and we are available for further consultation if required.

Please contact the AIB CEO Robert Hunt on 02 6247 7433 or at robert.hunt@aib.org.au or myself if you wish to discuss further or organise a meeting.

Yours sincerely

Mr Jeff Palmer
AIB Qld Chapter President
