Dear Sir/Madam,

I am constantly shocked by the price of toll roads in particular the tolled tunnels around Brisbane. The current prices are too much to use these tunnels on a regular basis. Discounts should be offered for regular users. Off peak charges will also be helpful.

I am more than happy to pay for these tunnels but the exorbitant cost defeats the purpose of trying to ease congestion.

One particular problem I have is that the Airport Link charges now the same price for exiting at Kedron & Toombul but this never use to be the case as the trip to Kedron is shorter than Toombul. I don't think that's very fair and the cost should reflect the actual distance travelled.

Thankyou for your time,  
Christopher Lynch
