Subject: Submission for Inquiry into Toll Road Operations
Date: Monday, 2 July 2018 10:28:23 AM

Hello there,

The toll roads are too expensive, and the public companies who run them too profitable. My girlfriend and I regularly drive from Wynnum to Hendra and back, and that small trip costs about \$10. It's a rip off.

I cannot understand why the government would not build these roads, charge the tolls then turn them back into free roads?

Kind Regards,

Jason Young [REDACTED]
