

Inquiry into the economic and regulatory frameworks for Queensland island resorts

Submission No: 22
Submitted by: Barbara Hanley
Publication: Making the submission and your name public

Submitter Comments:

Our country/Islands should NEVER be owned by anyone but an Australian citizen. The restrictions by overseas owners to OUR land is both morally wrong and insulting. Our sovereignty should never be at risk. Other countries do not allow us to buy their country... why do we sell ours off?

Submitter Recommendations:

Save our sovereignty and our islands for our country.
