To whom it may concern .

Thank you for the opportunity to make these suggestions.

- 1) If anybody is on bail ,if they break the conditions of their bail ,it automatically cancels their current bail and prevents them from applying for bail for 2 years.
- 2) If anybody is stopped for a breath test and they are over 1 they automatically lose the use of their car for 3 months,plus any other penalty, the court imposes. The same applies to anybody driving with drugs in their system
- 3) Anybody caught driving more than 20 kms over the speed limit , they automatically lose the the use of the car for 3 months , anybody exceeding the speed limit by more than 50 kms, ,automatically lose the use of the car for 12 months
- 4) Anybody exceeding the speed limit in a school zone , automatically loses the use of the vehicle for 6 months.
- 5) Anybody booked for speeding 3 times in a year automatically loses the use of the vehicle for 6 months
- 6) Anybody caught hooning more than 2 times in a year loses the car permanently.

On positive note the good guys and gals should be rewarded for their good performance , their rego should be reduced my ten percent the first year and then 2 percent each year they are free of fines.

To pay for this the bad guys and gals their rego should go up by ten percent the first year and 2 percent each year they get a fine., Each year they are fine free their rego would come down by 2 percent.

it is time we stopped pussy footing around with the people who are causing so much trouble in the community

I hope this is a worthwhile contribution .

Yours faithfully

Brian Price
