Dear Committee Secretary,

RE: Inquiry into Vehicle Safety, Standards and Technology

I fully support the motion by the Hon. M T Ryan, Minister for Police and Corrective Services and Minister for Fire and Emergency Services, to have an inquiry into Vehicle Safety, Standards and Technology, including Engine Immobiliser Technology and report to the Legislative Assembly.

I applaud the Hon. M T Ryan for his efforts to increase safety on our roads for the benefit of our communities as, as a local Councillor I continually witness the enormous detrimental impacts the current level of anti-social behaviour including hooning and unsafe driving is having on our suburban lifestyles.

I look forward to reading the findings of the inquiry and hopefully support a Bill to act upon recommended reforms.

Yours faithfully,

Wendy Boglary
Councillor Division 1, Ormiston/ Wellington Point
Redlands City council
