Youth Crime WHY not set-up Boot Camps within sections of the Defence Forces. Set Up a min. 12-month Camp:... Supervision... Necessities Supplied - Food, Bed etc ... Structure ... Trades maybe ... Many may continue on within the Forces.... Away from Social Media Platforms etc Boot Camps are DEFINITELY the way to go - either Defence Forces, Outback Farm Stations & such Away from Bad Influences, Social Media & so on. The Courts are TOO lenient - handing out slaps on the wrist to repeat Offenders. ENOUGH is Enough. Citizens should not have to live in Fear of Vandalism, armed invasion, assaults by Children. These kids know Right from Wrong & they make a Conscious CHOICE to carry out Criminal Acts!
