QUESTIONS ON NOTICE

The following questions were asked on Thursday, 9 December 1999. Answers are required by Sessional Orders to be hand delivered to the Bills and Papers Office, Room A.18.1, Parliament House by 5pm on Monday, 10 January 2000.

2082 MR FELDMAN ASKED THE MINISTER FOR TRANSPORT AND MINISTER FOR MAIN ROADS (MR BREDHAUER)—

With reference to an impending upgrading of the Wamuran State School and to an approach from the Caboolture Shire Council (to Education Queensland) seeking funding for the associated upgrade of Spillane Street adjacent to the school—

(1) Will he offer funding assistance for this very necessary project via the SafeST program or any other source from within his departmental budget?

(2) Will he undertake to instigate negotiations between his department, Education Queensland and the Caboolture Shire Council to facilitate the necessary improvements to set-down areas in Spillane Street as depicted in Education Queensland's site plan?

2083 DR PRENZLER ASKED THE MINISTER FOR TRANSPORT AND MINISTER FOR MAIN ROADS (MR BREDHAUER)—

With reference to the extremely dangerous intersections on the Bruce Highway through the built-up area of Gympie—

Does his department have plans to four-lane the highway through Gympie and upgrade the life-threatening intersections; if so, when is work likely to commence?

2084 DR KINGSTON ASKED THE PREMIER (MR BEATTIE)—

With reference to the Drug Court program and an article in The Courier Mail which said the Government was looking at the south-east corner only for drug courts and the Australian Parents for Drug Free Youth’s detailed submission to Government on behalf of the Maryborough/Hervey Bay Public Health Planning Committee—

(1) Is he aware that the Attorney-General in his letter dated 17 September to the Australian Parents for Drug Free Youth said they would be given the opportunity to make a formal submission about a pilot program in the Wide Bay area when it comes before Cabinet?

(2) Has the Government changed its mind; if so, why?

2085 MR DALGLEISH ASKED THE MINISTER FOR FAMILIES, YOUTH AND COMMUNITY CARE AND MINISTER FOR DISABILITY SERVICES (MS BLIGH)—

With reference to the Management Committee of the Maryborough Housing Action Group (HAG)—

(1) Does that committee include (a) Mrs Lexie Tudman, wife of co-ordinator John Tudman, (b) Mr Brendan Hanson, reportedly a blood relative of the Tudman family and (c) Mr Brendan Hansen’s sister?
(2) Are any other relatives of Mr and Mrs Tudman employed in the HAG?

(3) Is this in conflict with the model constitution for community–based organisations and her own department’s rules for such bodies?

(4) Are all these people closely connected with the Labor Party?

(5) Has an instruction been issued from her department to conceal details of the membership of this HAG Management Committee?

2086 **MR PAFF ASKED THE DEPUTY PREMIER AND MINISTER FOR STATE DEVELOPMENT AND MINISTER FOR TRADE (MR ELDER)—**

2087 **MR BLACK ASKED THE MINISTER FOR TRANSPORT AND MINISTER FOR MAIN ROADS (MR BREDHAUER)—**

With reference to the extremely dangerous un–supervised crossings at Eimeo Road State School, upon which recent surveys indicate the following results (a) 148 out of 345 (43 per cent) completed responses have been received, (b) 31 children currently cross on Eimeo Road, but 84 would do so if it were not so dangerous and (c) 34 children currently cross on Bucasia Road, but 66 would do so if it were not so dangerous—

Is the criteria for supervision usage by 25 children; if so, and in light of the fact that even the current usage is in excess of that number on both roads, (and would double if safety was assured), will he ask his department to immediately appoint crossing supervisors to both these crossings?

2088 **MR LITTLEPROUD ASKED THE PREMIER (MR BEATTIE)—**

Bearing in mind that the British Isles is only one–sixth of the land area of Queensland and the vast majority of Queenslanders live within 60 km of the coastline, will he concede that the principle of one vote–one value is hard to defend in Queensland when, in the United Kingdom, a much smaller country, the variation in the number of electors per electorate can vary as much as six times in number, yet there is no outcry of unjust electoral laws?

2089 **MR SPRINGBORG ASKED THE MINISTER FOR EMPLOYMENT, TRAINING AND INDUSTRIAL RELATIONS (MR BRADDY)—**

With reference to the closure of the Killarney Pine and Warwick Sawmills in mid–September and to his media release of 5 November within which he indicated that the immediate response team, a part of the Worker Assistance Program, would be in Warwick on 10 November to assist workers directly affected by the closure of the mill—

Why has the immediate response team not lived up to its name and has taken almost two months to get to Warwick and assist the displaced workers from the Killarney Pine and Warwick Sawmills?

2090 **MR KNUTH ASKED THE PREMIER (MR BEATTIE)—**

Will he or any of his Ministers provide a comprehensive list of landholders, including investment syndicates, which fall into the existing proposed areas of the Townsville Industrial Land Project, including the new sub–division of Rocky Springs?

MR ROWELL ASKED THE MINISTER FOR MINES AND ENERGY AND MINISTER ASSISTING THE DEPUTY PREMIER ON REGIONAL DEVELOPMENT (MR MCGRADY)—

With reference to the high voltage power line proposed by Powerlink between Tully and Innisfail which is receiving strong opposition from property owners that are to have the lines running through their properties and to technology using a converter at either end of the existing aerials and energising the power lines with DC rather than AC current which could increase the capacity of the existing system—

Will she (a) provide a date on which she intends to table the report from the Generate document that outlines the results of her department's consultations, (b) ensure that all young Queenslanders will have an opportunity to participate in this forum and (c) give an assurance that members of the State Youth Council will not be hand picked by her?
