## QUESTIONS ON NOTICE

*The following questions were asked on **Wednesday, 23 August 2000**. Answers are required by Sessional Orders to be hand delivered to the Bills and Papers Office, Room A.18.1, Parliament House by **5pm on Friday, 22 September 2000**.*

- 864 **MR DALGLEISH** ASKED THE MINISTER FOR FAMILIES, YOUTH AND COMMUNITY CARE AND MINISTER FOR DISABILITY SERVICES (MS BLIGH)—

With reference to previous Questions on Notice in May, June and July 2000 concerning an Aboriginal foster carer and alleged child abuse and neglect and a comprehensive report containing allegations of rape, incest and sexual molestation which is now in the hands of the Minister for Families, Youth and Community Care—

- (1) Why have the young female children named within this file remained in the care of the adult persons also named in the report?
- (2) After allegations of child abuse, neglect and suspected sexual abuse were placed before senior officers of Department of Families Youth and Community Care (DFYCC) at a meeting in February/March 2000, why wasn't action taken to remove the children from these circumstances?
- (3) Why did DFYCC officers refuse to give permission for a three-year-old female child who is a ward of the State to be examined by a medical practitioner in an attempt to confirm or deny the sexual abuse allegations?
- (4) After the allegations of sexual abuse were detailed to DFYCC officers and graphic details of a foul stench emanating from the child from a vaginal infection was described, why was it considered by DFYCC officers to be unnecessary to have the child medically examined?

- 865 **DR PRENZLER** ASKED THE MINISTER FOR PRIMARY INDUSTRIES AND RURAL COMMUNITIES (MR PALASZCZUK)—

With reference to the milk entitlements scheme that existed prior to the deregulation of the dairy industry—

- (1) Does he agree that milk entitlements on which “quota” was allocated to dairy farmers was a statutory scheme administered by a milk entitlements committee?
- (2) Does he agree that the milk entitlements committee commenced the monetary trade in these entitlements?

- (3) Why does the Government continue to believe that it has no obligation to compensate dairy farmers for milk entitlements that were commenced by a statutory body?

866 **DR KINGSTON** ASKED THE MINISTER FOR FAMILIES, YOUTH AND COMMUNITY CARE AND MINISTER FOR DISABILITY SERVICES (MS BLIGH)—

With reference to an interview by investigating officers of the Criminal Justice Commission of an Aboriginal foster carer in Hervey Bay on Thursday, 17 August 2000 in regard to her allegations of sexual abuse and neglect of a three-year-old ward of the State and who requested that she be placed under the protection of the Criminal Justice Commission as a whistle blower and detailed a serious assault previously perpetrated upon her by a person named in the allegations previously detailed to the Minister. The foster carer was guaranteed protection as a whistle blower and was removed from Hervey Bay on Tuesday 22 August 2000 along with two children in her care but as no Government housing was available to offer to the witness, she has been placed in temporary accommodation—

- (1) As Department of Families, Youth and Community Care officers failed to act to protect the three-year-old ward of the State named in the abuse allegations, will she now act to provide long term secure accommodation for this foster carer who is now in flight for the sake of her and children's welfare and safety?
- (2) As the mother of the three-year-old ward of the State has also now come forward and reinforced the foster carer's allegations, will she now act to provide long term secure accommodation for the Aboriginal mother and her children, as fears for the safety and welfare of the Aboriginal mother and her children now exist and are well founded?

867 **MR KNUTH** ASKED THE MINISTER FOR TRANSPORT AND MINISTER FOR MAIN ROADS (MR BREDHAUER)—

With reference to Question on Notice No. 428 of 18 May 2000 in which I made claims that the proponent of the proposed Wunjunga boat ramp facility was Queensland Transport and his brief response in saying that the new boating facility at Wunjunga was a joint undertaking between Queensland Transport and the Burdekin Shire Council and to further evidence which has shown the council has never taken a joint undertaking between themselves and Queensland Transport regarding this boat ramp facility but has only agreed to \$5,000 towards the cost of road design. The council has never put forward a submission for a boat ramp at Wunjunga, however it is actually the Wunjunga residents who lobbied Queensland Transport into agreeing to build a boat ramp and therefore, the sole proponent of this proposed boat ramp is Queensland Transport as admitted by the Premier on another question—

- (1) Does he now agree in light of this new evidence that Queensland Transport is the proponent of the entire project which includes cost of road, car park facilities, cultural heritage, boat ramp and any other associated studies?
- (2) Is he prepared to meet the costs of the entire project and when will Queensland Transport submit the appropriate material change of use application incorporating the boat ramp and associated facilities?
