1 MEETING OF THE HOUSE

The House met at 9.30am pursuant to adjournment. The Speaker (Honourable R K Hollis) read prayers.

2 ASSENT TO BILLS

Letter from the Governor was reported, informing the House that His Excellency the Governor had, in the name of Her Majesty, assented to the following Bills on 8 June 2000—

A Bill for an Act about treating and protecting people who have mental illnesses, and for other purposes (*Mental Health Act 2000* – Act No. 16 of 2000)

A Bill for an Act to amend the *Motor Accident Insurance Act 1994* (*Motor Accident Insurance Amendment Act 2000* – Act No. 17 of 2000)

A Bill for an Act to amend certain Acts administered by the Minister for Mines and Energy and Minister Assisting the Deputy Premier on Regional Development (*Mining and Other Legislation Amendment Act 2000* – Act No. 18 of 2000)

3 MATTER OF PRIVILEGE

Dr Watson rose on a matter of privilege and made the following statement—

'I rise on a matter of privilege. On 16 May, I asked the Treasurer a Question on Notice concerning specific details in relation to the consultancies let by his department from 1 July 1999. It is important that that date be noted – 1 July 1999. That was the first day of the 1999–2000 financial year. In his response to the question, the Treasurer stated—

"The information sought by the Honourable Member is contained in the annual reports of the Department and respective agencies."

Given the fact that the only publicly available annual report of Queensland Treasury is for the 1998–99 financial year, it therefore provides no details of consultancies let by the Queensland Treasury from 1 July 1999. It is my assertion that in light of this fact, the Treasurer has misled the House in his response to the question, and I will table the question and his answer.

How can the details of consultancies engaged in the 1999–2000 financial year be contained in a publicly available annual report that has not yet been completed? Therefore, Mr Speaker, I ask that you consider this matter and subsequently refer it to the Members' Ethics and Parliamentary Privileges Committee.'

Question on Notice No. 370, dated 16 May 2000, and answer

Delete all words after 'House' and insert the following—

(a) applauds the establishment by the Government of a Fuel Subsidy Taskforce comprising key representatives of—

- the Royal Automobile Club of Queensland;
- Motor Trades Association of Queensland;
- Road Transport Association of Queensland;
- Boating Industry Association;
- Taxi Council of Queensland;
- Local Government Association of Queensland;
- Agforce;
- Queensland Farmers Federation; and
- Queensland Chamber of Commerce and Industry

in order to discuss specific proposals for the reform of Queensland's fuel subsidy scheme with three central objectives:

- (i) the establishment of a retail-based subsidy scheme;
 - (ii) the prevention of illegal cross-border trade which results in Queensland taxpayers subsidising interstate fuel prices; and
 - (iii) ensuring that the full 8.354 cents-per-litre subsidy is received by Queensland motorists and intended recipients.
- (b) notes that the Borbidge Government identified the rorts that were going on, including the cross-border loss of \$104 million a year in subsidies, but was unable to prevent the losses;
- (c) further notes that because of the effect of Section 92 of the Australian Constitution and other practical compliance issues, the Commissioner of Stamp Duties has only been able to recover \$16.8 million of more than \$200 million of subsidy which has gone interstate as a consequence of the cross border fuel trade despite pursuing 167 investigations since January 1998.
- (d) calls upon the Government to ensure that the full 8.354 cents per litre fuel subsidy is delivered to Queensland motorists and
