1 **MEETING OF THE HOUSE**  
The House met at 9.30am pursuant to adjournment. The Speaker (Honourable R K Hollis) read prayers.

2 **MATTER OF PRIVILEGE**  
Deputy Premier and Minister for State Development and Minister for Trade (Mr Elder) rose on a matter of privilege and made the following statement—

'I rise on a point of privilege. I refer to an article in *The Courier-Mail* this morning in which it is stated that Karen Ehrmann was hired to work in my electorate office. This is not true. I ask that the record reflect that at no time was Karen Ehrmann employed by me or by any member of my electorate office. For the record I state that, during the short time that Karen Ehrmann stayed at my electorate officer's house, she accompanied her to my office out of concern for Mrs Ehrmann's emotional state. Again, let me reiterate that at no time was Karen Ehrmann employed by me.'

3 **MATTER OF PRIVILEGE**  
Mr Beanland rose on a matter of privilege and made the following statement—

'I rise on a matter of privilege. On 19 July in reply to a question without notice this year the Minister for Families, Youth and Community Care and Disability Services said at *Hansard*, page 2147—

"... the member for Indooroopilly's claims were a complete fabrication and a comprehensive and mischievous lie."  

On a point of order from myself indicating that I found the utterance offensive and in which I asked that it be withdrawn you, Mr Speaker, indicated that you did not hear the word "lie" to which Minister Bligh replied—

"I said that the information was a comprehensive lie."

Mr Speaker, you then indicated that there was no point of order. As I have already indicated, the Minister misled you, Mr Speaker, and the Parliament. I therefore ask that you give consideration to having this matter referred to the Members' Ethics and Parliamentary Privileges Committee for consideration and report.

*Paper:* Mr Beanland, during his statement, tabled the following paper—

*Copy of page 2147 from Hansard of 19 July 2000*

Mr Reeves, from 1,652 petitioners, requesting the House to recognise that the land located at 305 Mt Gravatt–Capalaba Road, Wishart is heavily timbered and the sale and subsequent development of this land will not only result in the destruction of this bushland but will also be contrary to the reasonable expectations of residents particularly given that the land is zoned Special Uses – Education.
