MEETING OF PARLIAMENT

The Assembly met at 9.30 am, pursuant to adjournment. The Speaker (Honourable R K Hollis) read prayers.

STATEMENT BY SPEAKER – LOAN OF ACTS TO SUPREME COURT LIBRARY

Mr Speaker made the following statement—

"Honourable Members—

I have to report that on 25 March 2004, in accordance with Standing Order 327, I approved the loan of original Acts of Parliament to the Supreme Court Library."

STATEMENT BY SPEAKER – RULES OF DEBATE

Mr Speaker made the following statement—

"Honourable Members—

As today will likely be the first day of the new Parliament where legislation will be debated, I thought it appropriate to remind Members about the rules of debate, particularly relevance and tedious repetition.

Standing Orders 141 and 253 both deal with the need for member’s speeches to be relevant to the matter under consideration. Standing Order 141 makes it clear that arguments should not be tediously repetitive, of either a member’s own argument or arguments made by other members.

To speak about matters irrelevant to the question under consideration or to be tediously repetitive in argument achieves little but to waste the valuable time and resources of this House.

If the workings of this House are to be kept to reasonable hours, it is incumbent on all members to ensure that their contributions are precise and to the point, not meandering, irrelevant or tediously repetitive diatribes.

I have asked the Chairman of Committees and all temporary Chairs to be fair but vigilant in enforcing the long standing rules of the House relating to relevance and tedious repetition."

The following paper petitions, lodged with the Clerk by the Members indicated, were received—
