MEETING OF THE ASSEMBLY
The Assembly met at 9.30 am, pursuant to adjournment. The Acting Speaker (Honourable D Fouras) read prayers.

STATEMENT BY ACTING SPEAKER – MATTER RAISED BY THE MEMBER FOR MAROOCHYDORE

Mr Acting Speaker made the following statement—

‘Honourable Members—

I refer to letters dated 12 and 24 May 2005 from the Member for Maroochydore.

In these letters, the Member sought a determination from me as to whether the Minister for Transport and Main Roads should be referred to the Members’ Ethics and Parliamentary Privileges Committee for deliberately misleading the House.

The Member’s complaint relates to the Minister’s answer to a question on notice from the Member about capital works projects wherein he omitted to include information about the Sunshine Motorway project.

I have considered the Minister’s answer to the question on notice tabled on 22 April 2005. I have also considered the Minister’s letter to the Member, dated 26 April 2005, tabled in the House, and an answer to the Member’s further question in the House on 12 May 2005, both of which provided information about the Sunshine Motorway project.

Based on the information before me, I can find no evidence to demonstrate omission of material in the answer to the question on notice was a deliberate attempt to mislead the House. Indeed, I note the additional information provided to the Member four days later.

Accordingly, I do not propose to refer this matter to the Members’ Ethics and Parliamentary Privileges Committee.’

NOTICE OF MOTION – STUDENT UNION MEMBERSHIP

Minister for Education and the Arts (Ms Bligh), pursuant to notice, moved – That this House—

1. Condemns the Federal Government for its attack on universal membership of student unions through legislation being introduced by the Federal Minister for Education.

2. Notes with concern the effects of the legislation, which will include a decrease in funding for student welfare services, childcare, sporting facilities, clubs and societies, as well as student advocacy, and the impact upon university budgets as university administrations struggle to provide these services.

3. Notes the important role student unions play in providing affordable services to students, including welfare services and childcare places, and the opportunities they provide for regional students to avoid social isolation through clubs and societies and organising recreational and social activities.

4. Notes that in Queensland the impact of this federal legislation will fall disproportionately on regional universities and regional campuses which rely on student fees to provide important services and infrastructure.

Debate ensued.

The following amendment was proposed by the Leader of the Opposition (Mr Springborg)—

Delete all words after ‘That this House’ and insert—

‘(1) Notes the concerns of the Federal Government with regards to wastage of funds by university student unions;

(2) Expresses its support of voluntary union membership;

(3) Notes the role student guilds play in providing services and infrastructure on university campuses;

(4) Calls on the Federal Government to introduce good governance guidelines for student guild management including a clear framework for what purposes student guild funds are able to be used for;

(5) Requests the Federal Government to enable universities to impose a levy for the use of services and provision of facilities on university campuses.’

Debate ensued.

The following amendment to Mr Springborg’s amendment was proposed by Mr Langbroek—

Delete all words after ‘union membership’.

NOTICE OF MOTION – STUDENT UNION MEMBERSHIP (Hansard p. 1918, 7.58 pm)

Resumption of the debate on the motion of the Minister for Education and the Arts (Ms Bligh) – That this House—

1. Condemns the Federal Government for its attack on universal membership of student unions through legislation being introduced by the Federal Minister for Education.

2. Notes with concern the effects of the legislation, which will include a decrease in funding for student welfare services, childcare, sporting facilities, clubs and societies, as well as student advocacy, and the impact upon university budgets as university administrations struggle to provide these services.

3. Notes the important role student unions play in providing affordable services to students, including welfare services and childcare places, and the opportunities they provide for regional students to avoid social isolation through clubs and societies and organising recreational and social activities.

4. Notes that in Queensland the impact of this federal legislation will fall disproportionately on regional universities and regional campuses which rely on student fees to provide important services and infrastructure.

The following amendments having been proposed—

**Leader of the Opposition (Mr Springborg) to amend Ms Bligh’s motion—**

Delete all words after ‘That this House’ and insert—

(1) Notes the concerns of the Federal Government with regards to wastage of funds by university student unions;

(2) Expresses its support of voluntary union membership;

(3) Notes the role student guilds play in providing services and infrastructure on university campuses;

(4) Calls on the Federal Government to introduce good governance guidelines for student guild management including a clear framework for what purposes student guild funds are able to be used for;

(5) Requests the Federal Government to enable universities to impose a levy for the use of services and provision of facilities on university campuses.’
