STATEMENT BY SPEAKER – MATTERS RAISED BY THE MEMBERS FOR BURNETT AND SANDGATE

Mr Speaker made the following statement—

'Honourable Members—

On 29 September 2005, the Member for Burnett wrote to me alleging that the Honourable Gordon Nuttall MP, then Minister for Health, deliberately misled the House in a Ministerial Statement made on 7 October 2004. In particular, the Member alleged that assurances given by the Minister about inpatient services at Bundaberg were contradicted by a report titled Review of Mental Health Services Bundaberg, which on two occasions the Minister refused to table.

On 29 September 2005, the Member for Sandgate wrote to me alleging that the Member for Burnett, in making this allegation against him, deliberately misled the House in that he selectively edited the Ministerial Statement and the report titled Review of Mental Health Services Bundaberg.

I have studied Hansard, relevant tabled documents and a copy of the report Review of Mental Health Services Bundaberg provided to me by the Honourable Gordon Nuttall.

From the material I have reviewed, the assurances given by the Minister about inpatient care at Bundaberg were consistent with the recommendation of the report Review of Mental Health Services Bundaberg.

I find that, in relation to the allegation against the Honourable Gordon Nuttall, there is no basis to demonstrate a prima facie contempt of deliberately misleading the House. I intend to take no further action in respect of the matter.

In relation to the allegation against the Member for Burnett, I also find that there is no prima facie contempt of deliberately misleading the House.

However, it was clear from a full reading of the report that the allegation made by the Member for Burnett against the Honourable Gordon Nuttall was without foundation. Therefore, I believe there is some evidence to suggest that the Member for Burnett has been reckless in his allegation. I leave it to the Member to take it upon himself to take the appropriate action.'
