**QUESTIONS ON NOTICE**

The following questions were asked on Thursday, 30 March 2006. In accordance with the Sessional Orders, answers are required by email to TableOffice@parliament.qld.gov.au by Tuesday, 2 May 2006.

465 **MR FINN** ASKED THE MINISTER FOR NATURAL RESOURCES, MINES AND WATER (MR PALASZCZUK)—

Following release of the Queensland Coal Report 2005, will he detail the performance of Queensland’s coal export industry?

466 **MR FENLON** ASKED THE MINISTER FOR TRANSPORT AND MAIN ROADS (MR LUCAS)—

Will he detail the purpose and role of the community reference group recently chosen for the Eastern Busway proposal?

467 **MR LANGBROEK** ASKED THE MINISTER FOR PUBLIC WORKS, HOUSING AND RACING (MR SCHWARTEN)—

With reference to his answer to a question without notice from the Member for Keppel at page 826 of Hansard (dated 28 March 2006) where he stated that ‘Qfleets is purchasing some cars in Cairns and Townsville to assist with the Cyclone Larry relief effort’—

Why is QBuild buying more vehicles in Cairns and Townsville instead of shipping excess vehicles from the stockpile held in Brisbane, vehicles which Qfleets has been unable to dispose of?

468 **MR PEARCE** ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—

What is being done to ensure that the people of Moura are better positioned for the future recruitment and retention of a second doctor to work in partnership with the Moura Hospital appointed Medical Superintendent with the right to private practice?

469 **MR CHOI** ASKED THE MINISTER FOR SMALL BUSINESS, INFORMATION TECHNOLOGY POLICY AND MULTICULTURAL AFFAIRS (MR CUMMINS)—

With reference to the release of the small business discussion paper—

What are the objectives of this paper?

470 **MR ROGERS** ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—

With reference to the answer he gave to Question on Notice No. 95 which I asked in regards to the resignation of doctors from Queensland Health—
Will he show the 761 terminations from Queensland Health broken down into the following reasons for departure (a) resignations, (b) end of contract, (c) transfer, (d) dismissal, (e) retirement and (f) death?

Of these 761 terminations, how many of these resulted in people being paid out by the department for their departure and what has been the cost of these?

471 MR LIVINGSTONE ASKED THE MINISTER FOR SMALL BUSINESS, INFORMATION TECHNOLOGY POLICY AND MULTICULTURAL AFFAIRS (MR CUMMINS)—
How is the Government supporting the Link Up Festival in Ipswich this year?

472 MR HAYWARD ASKED THE MINISTER FOR CHILD SAFETY (MR REYNOLDS)—
How many children in the Kallangur Electorate are subject to Child Protection Orders?
How does this compare to previous years?

473 MRS MILLER ASKED THE MINISTER FOR NATURAL RESOURCES, MINES AND WATER (MR PALASZCZUK)—
How can residents in the Bundamba Electorate save water in their day to day lives?

474 MS NELSON-CARR ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—
What is the latest tally of calls to the 24 hour health hotline in north Queensland and is there any one type of query or concern that tends to predominate?

475 MR SPRINGBORG ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—
The Medical Practitioners Register shows that Dr Nikolaus Haas is registered as a Paediatric Cardiologist and has the qualification, Fellowship of the Royal Australian College of Physicians. The Public Register also indicates that the board placed a condition on the registrant on 22 December 2005, that the doctor "not practise as an Intensive Care Specialist for a period of three years or until he had been awarded Fellowship of the Joint Faculty of Intensive Care Medicine, whichever is earlier". The website of the Joint Faculty of Intensive Care Medicine indicates that Dr Nikolaus Haas was a successful candidate in the September 2005 Fellowship Examinations of the Joint Faculty—
As it would appear that Dr Haas fulfilled the conditions of the undertakings before they were imposed, will he clarify the registration status and the current restrictions which actually apply to this practitioner and were those restrictions imposed following Dr Haas’ involvement in adverse patient outcomes?

476 MR LINGARD ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—
With reference to senior clinicians and management of The Prince Charles Hospital and Royal Children's Hospital who met in November 2005 to confer about concerns with the clinical practice of Dr Nikolaus Haas resulting in the death of a child—
Was that adverse event referred to the Queensland Medical Board and the Coroner for investigation?

477 MR HOBBS ASKED THE MINISTER FOR NATURAL RESOURCES, MINES AND WATER (MR PALASZCZUK)—
With reference to the ongoing water restrictions that local governments are enacting due to the critically low levels of water supply in storages—
Will he provide for each council (reported separately) (a) water supply estimates, (b) the date which each expects to expend their current water supply and (c) the level of water restriction being implemented by each council?
MR HOPPER ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to indictable offences that are heard summarily involving incidents of harm to victims—

Will she provide the figures (to be reported separately) of victims of matters that are heard summarily by districts (reported separately) for the current year to date and for the past three financial years?

MR JOHNSON ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to the Criminal Offence Victims Act 1995—

Will she explain why, if a person chooses to have their indictable matter heard summarily, they are not then entitled to claim for compensation under the Act and then have to seek compensation via a civil action which is costly for the victim in addition to the fact that the person who has committed the harm against the victim generally does not have the ability to compensate the victim?

MR KNUTH ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—

With reference to the mini-Budget and the Health Action Plan in 2005 wherein the Government proposed to consider privatising State owned nursing homes on a site by site basis—

(1) Will he accept that 2,700 petition signatures are solid evidence that the public do not want Eventide privatised or sold, and therefore will he now guarantee that the Eventide Nursing Home in Charters Towers will not be sold or off-loaded to the private sector?

(2) Will he return the 20 beds and associated funding, which his department removed in 2002 without consultation, so that Eventide Nursing Home can operate at its full capacity for the benefit of the Charters Towers community?

MR SEENEY ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to the Criminal Offence Victims Act 1995—

(1) How many victims of crime have been paid out for the past three years and the year to date (reported separately)?

(2) How long did it take for each of their claims to be processed and what was the cost of these claims for the past three years and the year to date (reported separately)?

MR MALONE ASKED THE MINISTER FOR ENERGY AND MINISTER FOR ABORIGINAL AND TORRES STRAIT ISLANDER POLICY (MR MICKEL)—

With reference to Cyclone “Larry’s” destructive path west of Innisfail when failures occurred with the 132kV transmission system even though the wind speed reduced as it went west and to a letter on 31 January 2005 to Councillor Clarke, Mayor of Johnstone Shire, in which he said “The Kareeya to Innisfail is corroding, causing a reduction in the strength of the towers, increasing the risk of failure. Individual members will reach a point where the existing towers are no longer able to be climbed safely for maintenance.”—

(1) Where was the failure in this system as a result of Cyclone “Larry”?

(2) Was the cause of the failure either partly or fully as a result of the cyclone and was the lack of maintenance a contributing factor?

MRS MENKENS ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to the Criminal Offence Victims Act 1995—

Why are victims of crimes in which the perpetrator of the criminal act goes unidentified, not entitled to claim for compensation?
MR MESSENGER ASKED THE MINISTER FOR HEALTH (MR ROBERTSON)—

What was the total cost of consultancy fees incurred by the Government for the report to Queensland Health prepared by the Allen Consulting Group which was tabled in Parliament on 29 March 2006?

MR ROWELL ASKED THE MINISTER FOR ENERGY AND MINISTER FOR ABORIGINAL AND TORRES STRAIT ISLANDER POLICY (MR MICKEL)—

With reference to a question on notice on 1 December 2005, when I asked what wind speed would the proposed 275kV transmission line from Tully to Innisfail be able to sustain in the event of a cyclone and to his response, “I am advised by my department that the line in question is designed to sustain a 220-kilometre-per-hour basic wind speed for a cyclonic region.”—Considering that severe Tropical Cyclone Larry sustained wind speeds of 290 kilometres per hour in the vicinity of the proposed transmission line - 25 per cent more destructive than the towers are designed to sustain - will Powerlink continue with this unpopular and inappropriately designed concept?

MS LEE LONG ASKED THE PREMIER (MR BEATTIE)—

With reference to small businesses, including farmers, in the Cyclone Larry disaster area—When can these businesses expect to know whether the conditions which apply to applications for the $200,000 concession loan will be relaxed and not include the liquidation of cash, shares or overdrafts and whether the cap of 20 employees will be lifted?

MR MCARDLE ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to the Supreme and District Court complex located in Brisbane—Will she advise for 2001-02, 2002-03, 2003-04, 2004-05 and 2005-06 to the date of this answer and each reported separately (a) the capital expenditure amount spent on the complex and for what purposes, (b) monies spent in refurbishing the complex and details of what purpose the monies were spent on and (c) any monies spent on upgrading technology of whatsoever kind and details thereof?

MR FOLEY ASKED THE MINISTER FOR JUSTICE AND ATTORNEY-GENERAL (MRS LAVARCH)—

With reference to people who get on the wrong side of the State Penalties Enforcement Registry (SPER) where there seems to be no provision for a work licence, however, a drink driver could get one, whereas under SPER they could simply be a fine defaulter—Will she clarify this and also what the notification procedure is when a licence is suspended as opposed to suspension just being threatened?

MS CROFT ASKED THE MINISTER FOR TOURISM, FAIR TRADING AND WINE INDUSTRY DEVELOPMENT (MRS KEECH)—

As a former tour guide, I have a keen interest in inbound tourism and the operations of businesses and guides and as some businesses and guides have tarnished the hard-won image of the industry by acting unconscionably to their clients, will she advise the House of the latest Beattie Government offensive against those who do the wrong thing?

MR CALTABIANO ASKED THE MINISTER FOR TRANSPORT AND MAIN ROADS (MR LUCAS)—

Will he provide details, by local government area for each local government in Queensland, for each of the years between 1998 and 2005 of (a) total State contribution for roads, design, construction and maintenance and (b) money allocated by specific grant program for roads, design, construction and maintenance?

How can business owners in my electorate provide feedback on this paper?

498 MR ROBERTS ASKED THE MINISTER FOR EMPLOYMENT, TRAINING AND INDUSTRIAL RELATIONS AND MINISTER FOR SPORT (MR BARTON)—
