## NOTICES OF MOTION

1. That this House—

Calls on the Premier to abolish the Estimates Committees due to the complete lack of genuine accountability in this expensive process and use the monies saved to fund a feasibility study to determine the best model of an Upper House to be reinstated back into Queensland's empty red chamber which was dissolved against the wishes of Queenslanders in 1922 in order to bring this great State back into line with the rest of Australia and standard measures of accountability.

Notice given: Member for Beaudesert (Mr McLindon)  
Date: 3 August 2010  
Status: To be debated.

2. That this House—

Calls on the Premier to acknowledge that:

- At least 1,450 Patel patients including at least 88 widows and widowers are eligible for special compensation while less than 300 have received compensation.
- Average payouts total approximately \$21,000 per victim.

And that the Premier establish an investigation headed by a retired judicial officer to investigate allegations that:

- Former patients of Dr Patel were forced to accept unfair and unconscionable compensation.
- Fraudulent, false and incompetent medical records were used to exclude former Patel patients from compensation.
- Tilt train crash survivors, who were also Patel survivors, were only allowed to claim compensation from either Queensland Rail or Queensland Health, not both.

Notice given: Member for Burnett (Mr Messenger)  
Date: 3 August 2010  
Status: To be debated.

3. That this House—

Calls on the Premier to:

Take all steps necessary, including lobbying Julia Gillard and Tony Abbot for funds to immediately facilitate an increase in P.T.S.S payments for all regional and rural Queenslanders so that regional and rural patient travel subsidies equal the travel subsidies granted to state politicians and other senior public servants.

Date: 4 August 2010
