## PREFACE

The Queensland Parliamentary Record for the 54th Parliament (15 May 2012 - 6 January 2015) continues to be a comprehensive information source about the Queensland Parliament since 1860.

Although the Parliamentary Record constitutes a record of the life of the 54th Parliament, the historical tables and records are also available on the Queensland Parliament's website at [www.parliament.qld.gov.au](http://www.parliament.qld.gov.au), as is current information about the Members and the Parliament.

The Former Members Register providing details of former members' parliamentary appointments and brief information about their lives and careers can also be accessed from the Queensland Parliament's website.

The Record of Proceedings, commonly referred to as Hansard, is the official record of the debates and procedures of the Queensland Parliament. The 150th anniversary of the formal establishment of Queensland's official record of proceedings occurred in 2014. The complete Hansard from 1864, as well as newspaper reports of parliamentary proceedings in the Moreton Bay Courier (1860 – 1863), are now available for searching on the Parliament's website.

Updating of the material for the Record of the 54th Parliament has been a combined effort of staff of the Parliamentary Library and Parliamentary Communication and Education Secretariat. Particular thanks are owed to Kalimna Kane of the Parliamentary Communication and Education Secretariat, and Melissa Cook and Roslin Bailey as well as the Research and Information Service staff of the Parliamentary Library.

The Department of Natural Resources and Mines provided the original electorate maps used as the basis for the maps in the Parliamentary Record.

Finally, the Library would appreciate notification of any discrepancies or errors found by readers. Please contact the Parliamentary Librarian on (07) 355 36200.

## PARLIAMENTARY COMMITTEES OF THE 54TH PARLIAMENT

### Notes:

- (1) The original motion to appoint Members to parliamentary committees for the 54th Parliament was passed in the Parliament on 17 May 2012.
- (2) On 10 March 2011 the Committee of the Legislative Assembly was established by resolution of the House to consider issues arising from the December 2010 report of the Committee System Review Committee. Its other responsibilities are for the ethical conduct of members of the Legislative Assembly; parliamentary powers, rights and immunities; and the standing rules and orders.
- (3) For Members, dates refer to their appointment to or resignation from the committee, if different from the start or end date of the committee.
- (4) Unless legislation governing a committee otherwise specifically provides, all committees are automatically dissolved when Parliament is dissolved. The Parliamentary Crime and Corruption Committee is the only committee to exist after a dissolution - this is specifically provided for in s 301 of the *Crime and Misconduct Act 2001*.

\* Because of the creation of large Ministerial portfolios in recent years, the position of Parliamentary Secretary was also created as a means of assistance to Ministers and as a form of training for future Ministerial office. Following in the tradition of Britain's Westminster governments, the Fraser Liberal federal government introduced the position of Parliamentary Secretary via legislation in 1980. The idea was taken up by the state governments, with Queensland being the last one to create the position of Parliamentary Secretary. In Queensland's case, the Borbidge/Sheldon National/Liberal government created the position for three Parliamentary Secretaries by a motion in the Parliament, which was ratified by an Executive Council proclamation in February 1996. Later, in April 1996, the position of Parliamentary Secretary was legislatively recognised by the *Constitution (Parliamentary Secretaries) Amendment Act 1996* which provided formal status in the *Constitution Act 1867* (now covered by the updated *Constitution Act 2001*, Sections 24 – 26), and four other relevant Acts. On 12 April 2012, eleven Parliamentary Secretaries were appointed. Their title was changed to Assistant Minister with the passing of the Parliament of Queensland and Other Acts Amendment Bill 2012.

- \* Although initially formed as a national party by federal Member for Parliament Mr Bob Katter, Katter's Australian Party (Queensland Division) was officially registered with the Electoral Commission Queensland on 22 September 2011, prior to its equivalent official national registration as Katter's Australia Party on 27 September 2011. Mr McLindon was established as the leader of Katter's Australian Party (Queensland Division), while Mr Katter remained leader of the nationally registered party.

**OPPOSITION LEADERS**

**From 1898**

On 30 August 1898 the Australian Labor Party (ALP) accepted the official position of Parliamentary Opposition in the Queensland Parliament. Prior to 1898, loose coalitions of interests were opposed to the Governments of the day. Because of their changeable voting patterns, it is difficult to categorise them as a definitive Parliamentary Opposition. It will be noted that the ALP has had a continuous history as a party, whether in Government or Opposition. However, the non-Labor parties demonstrate a history of changing titles or changing alignments. Where the non-Labor Opposition leader has remained the same, but the party or alignment has altered, the pertinent dates of service are given.

\* Not to be confused with the Country and Progressive National Party, which ceased to exist on 6 April 1936. This particular Country-National Party was formed in April 1941, when parliamentary members of the Country Party, without the consent of the Country Party organisation, joined with members of the National Party to create a working coalition in the Parliament. However, on 8 April 1941, a Country Party conference voted to continue as a separate organisation and repudiated the previous fusion.

Abolition had been a platform of successive Labor governments since 1915, but was achieved only by appointment of sufficient additional MLCs to ensure passage of the bill. An attempt had been made in May 1917 to force abolition by passage of a referendum, however the move was not successful, the votes being 116,196 for, and 179,105 against.

## REPRESENTATIVES OF QUEENSLAND STATE ELECTORATES 1860 - 2015

The “Town of Brisbane” and the “Town of South Brisbane” were two of the original electorates set up under the Order-in-Council of 6th June 1859. Except for the 1949 and 1986 redistributions the Brisbane River was the “natural” boundary of these electorates, and under this heading the successive electorates for the central city are listed in chronological sequence. Similar treatment is given under SOUTH BRISBANE, for the variants relevant to that area.

### Stanley

Originally a single member seat from its inception in the 1872 Electoral Districts Act, it returned two members from 1878-1888 through incorporation of part of the West Moreton electorate from which it had been derived. The seat was abolished in the 1949 redistribution which placed most of it in the new electorate of Somerset.

Formed in the 1887 redistribution, the seat took in all the area between Breakfast Creek and Kedron Brook from Newmarket and Alderley to Moreton Bay, formerly part of Enoggera. In the 1911 redistribution this electorate was broken up to form the new seat of Windsor (taken from the Western portion). In 1923 the area was further reduced, and in 1931 the name was dropped and the area allocated between Hamilton and Nundah.

### Toowong

Created in the 1887 redistribution, this seat took in the modern suburbs of Paddington, Rainworth, Milton, Rosalie, Toowong and the Mount Coot-tha reserve. The excision of new seats of Paddington and Ithaca in 1911 resulted in an even larger electorate to make up for the loss of the most populated areas, and it now took in all of Moggill as far as the Bremer. In 1923 all of this Western part became Enoggera and Toowong contracted back to the Auchenflower, Toowong, St. Lucia area. In 1935 the former huge area was restored, and in 1949 with the creation of Mount Coot-tha, Toowong returned to its current area. Abolished in the 1991 redistribution and its area absorbed by the new electorate of Indooroopilly and the existing electorate of Mount Coot-tha.

### Toowoomba

**see also Drayton and Toowoomba**

Originally included in the seat of Drayton and Toowoomba, the city was for a brief period an electorate of its own right (1873-78) before being once again coupled with Drayton (1879-1911) this time however as a dual member constituency. From 1911 Toowoomba returned one member, however other electorates (Drayton, East Toowoomba to 1949, Lockyer and North Toowoomba 1949-59) covered parts of the city. In the 1959 redistribution Toowoomba was divided into east and west, and in 1971 re-apportioned into north and south, with some going into Lockyer.

**Townsville**

Constituted by the Electoral Districts Act of 1878, which provided one member for the seat based on the city of Townsville. The city was divided into two electorates - Townsville and Musgrave by virtue of the Additional Members Act of 1885. From 1886-1912 the seat returned two members, when single electorates were made universal, and the electorates of Townsville and Mundingburra established. In 1923 the northern part of the city was included in Kennedy and the southern part in Mundingburra. The 1959 redistribution abolished Townsville as a seat, dividing the city into Townsville North and Townsville South, but it was restored in the 1971 redistribution without however including the major suburban areas which were located in Townsville South and Townsville West. It now included also a large area of rural Townsville formerly in Hinchinbrook. The 1986 redistribution reduced the area of the seat to the city environs. In the 1991 redistribution the electorate gained a small area from the previous Townsville East and lost its south-west corner to the new seat of Mundingburra.

### Warrego

Created by the Additional Members Act of 1864 as a seat in the far south-western corner of the State, based on the Warrego and Paroo River systems, the seat remained basically unchanged until 1991. It has always been a single member constituency. In the 1991 redistribution the electorate extended north west to include Quilpie from the electorate of Gregory and east to take in St George, Dirranbandi and Moonie from the abolished seat of Balonne, while to the north the towns of Blackall and Springsure were lost to Gregory. The 2008 redistribution transferred areas from the Gregory electorate and the Darling Downs electorate to enlarge the seat of Warrego.

One of the original sixteen electoral districts constituted under the provisions of the Order-in-Council of 6th June 1859, the seat has always been based on the city of Warwick and has been a single member constituency since that time. In the 1991 redistribution the electorate expanded considerably to the south-west subsuming much of the abolished electorate of Carnarvon including the towns of Stanthorpe and Texas, while losing part of its northern area to the seat of Cunningham. In the 1999 redistribution the seat was abolished.

It was a three member constituency until the 1873 election, by which time the provisions of the 1872 redistribution had broken up the electorate into Stanley, West Moreton and Fassifern. Under the 1878 Electoral Districts Act the portion of West Moreton West of Ipswich was re-named Rosewood and the rest was added to Stanley. In the 1931 redistribution the name Rosewood was changed back to West Moreton. In the 1949 redistribution the area was split up between Lockyer, Somerset and Fassifern.

First established in the 1949 redistribution when it was formed from portions of the former Bowen and Mirani electorates, the seat took in the coastal strip from South of Bowen to North of Mackay, and inland as far as Collinsville. In the 1959 redistribution the boundaries were moved south and east, excluding Collinsville, and in 1971 the northern boundary was extended almost as far as Home Hill. The 1986 redistribution resulted in the seat being confirmed to the Coastal area it originally occupied. In the 1991 redistribution the seat moved north and west into areas formerly occupied by the abolished electorate of Bowen including the towns of Bowen and Collinsville.
