MR J. RUSH

Mr DALGLEISH (Hervey Bay—ONP) (10.24 a.m.): I recently had the great pleasure of sharing some special time with Mr Jack Rush. Mr Rush was born on 10 October 1898 and has recently turned 100 years of age. I accompanied Mr Rush from his residence in Hervey Bay to another of Hervey Bay's great assets—Sandy Straits community radio, FM107.5. Mr Rush was a guest on a program called Hervey Bay's Living Legends. I commend the staff of Sandy Straits FM for providing the opportunity for our community to share in Mr Jack Rush's own summary of the past 100 years.

I thank Sandy Straits community radio for providing this opportunity for Mr Rush to go on the air. In the 100 years of his colourful life, this is one of the few things that Jack had not done. I congratulate Sandy Straits community radio and give my sincere congratulations to Mr Jack Rush.
