**MINISTERIAL STATEMENT**

**Tablelands Advertiser**

**Hon. T. M. MACKENROTH** (Chatsworth— ALP) (Minister for Communication and Information and Minister for Local Government, Planning, Regional and Rural Communities) (9.40 a.m.), by leave: On 25 August 1998, in answer to a question I incorrectly stated that an advertisement had appeared in the Tablelands Advertiser when, instead, it had appeared in the Tablelander. I apologise to the managing editor of the Tablelands Advertiser, Mr Barry Simpson, for any embarrassment that that may have caused him.
