

Speech by

SHAUN NELSON

MEMBER FOR TABLELANDS

Hansard 11 March 1999

PRIVILEGE

Mr G. Moss

Mr NELSON (Tablelands—IND) (4.58 p.m.): I rise on a matter of privilege suddenly arising. The matter I refer to is what I consider to be a deliberate misleading of the House contained in the report tabled by the member for Ipswich West this morning. The person in question is one Mr Geoffrey Moss. The report says that the person in question wrote no maiden speech nor was he a speech writer. That is untrue. Although I am not proud of it, half of my speech was written by Mr Moss and I know of certain others that were. I would like this matter to be referred to the Members' Ethics and Parliamentary Privileges Committee.
