**FAMILY SERVICES AMENDMENT BILL**

**Mr NELSON** (Tablelands—IND) (5.58 p.m.): I do not think that the Family Services Amendment Bill is a difficult subject at all. In fact, I think it is a very simple subject. We should do anything and everything possible to ride paedophiles and people of their ilk into the deck, and we should leave no stone unturned in doing that. I fully support the Bill and I fully support the Minister for Families, Youth and Community Care and Minister for Disability Services in her actions. I would like to congratulate the Minister for taking this stance on behalf of the people of Queensland. The Bill has my support.
