MRS R. CORKE

Mr ELLIOTT (Cunningham—NPA) (10.29 a.m.): I express my sympathy and that of the entire community of Goondiwindi at the recent loss of a very well-known identity in the area, Mrs Robyn Corke. This lady worked tirelessly for the community in the entire area of Goondiwindi. She was one of those rare people who seem to be able to take on endless amounts of community work. Any time people went to Mrs Corke she was always willing to give that bit of extra time to assist them.

Mrs Corke was well and favourably known to me. I have known her family for many years. In fact, my daughter had an association with relatives of hers. Rarely do people such as Robyn Corke come along. They are very rare in our communities. They are prepared to work endlessly for the good of the community. I express my sympathy and that of my family and everyone in the electorate to the family of Mrs Corke, and to Robert Mackenzie and his sister in particular.
